

The Last Party

Kate Fernando has been organising the parties for the children of Gateside for the last seven years, making sure everything party is special and full of fun.

The pupils, past and present, would like to say a great big thank you to her for keeping the tradition of parties alive.

This year's Halloween Party was Kate's last party and everyone is very grateful to her for all her hard work and commitment. She has done a fantastic job - thank you so much.

New Lighting and Curtains Installed

Thanks to a Postcode Lottery Grant of £2000 the Hall has new strip lighting and the addition of wall lighting for evening functions. Both sets of lighting are dimmable and should be flexible enough to provide the best lighting levels for any of the Halls many functions. The Hall also received a Fife Council grant of £900 which paid for a large portion of the electrical work to fit the lights and provide wall sockets round the Hall. The arrival of new stage and window curtains has also greatly improved the appearance of the Hall, a grant has been applied for to the Coop Community Fund and we are still to hear from them.

We have also been lucky to receive a grant award from Fife Environment Trust for 90% (£3943) of the costs to renew and repair all the guttering, downpipes and roof flashings of the Hall. This work is due to start soon to make the Hall watertight for the winter. Once this work is complete the plasterwork damaged by leaks will be repaired and re-painted, this will be paid for by a claim on the Hall insurance.

Successful Keracher's Fund Raising Dinner

Thanks to everyone who attended the recent Kerachers Night in Perth in aid of Hall Funds. Everyone enjoyed a fantastic evening with great food and excellent service, and Peter and all the Keracher's staff made us all feel welcome for which we are very grateful. Thanks also to all those who contributed raffle prizes for the evening. The evening raised very nearly £600 and all those who participated agreed this was a fundraiser which they would like to repeat! Our thanks to Hannah Philips for all the hard work in organising this excellent event.
