Sir Steven House QPM  
Chief Constable

P Division  
Open Planning Team  
Detroit Road Glenrothes

Dear Sir/Madam

### **2015 OPEN GOLF CHAMPIONSHIP – ST ANDREWS**

As you may already be aware the 2015 Open Golf Championship is to be held this year at St Andrews. It is expected that the event will generate considerable volumes of traffic throughout Fife and in particular on the roads leading to and in St Andrews.

The event runs from Sunday 12 July 2015 to Sunday 19 July 2015, with the main Championship days being Thursday 15 July 2015 to Sunday 19 July 2015\*.

The peak times for traffic are expected to be:

<b>Inbound</b>	<b>0700 hours – 1200 hours</b>
<b>Outbound</b>	<b>1500 hours – 2000 hours</b>

This may cause some inconvenience to your business and I would strongly recommend that, where possible, you avoid the movement of animals and slow moving farm vehicles during the above times and dates.

Your co-operation during this extremely busy period would be appreciated. If there is an urgent need to move animals, any large load or slow moving vehicles on the main road network during the aforementioned period, I would appreciate that you contact your local Police Station where, duties permitting, assistance will be given.

Yours faithfully

Steven Mackay  
Inspector  
Police Scotland  
Open Planning Team

**NOTE:** \*Any reference to Sunday 19 July 2015 may be extended to Monday 20 July 2015 if play is not successfully concluded.
